## BUY A BRICK AT THE CLOCK

The SHOUT Harbor Walk Clock has been described as a stunning addition to The Harbor Walk - where it greets both boaters and walkers alike. An identical SHOUT Clock, at the heart of town, graces the park opposite City Hall. SHOUT encourages families, businesses and other organizations to join us in supporting this SHOUT South Haven beautification project.

COMMEMORATE SOMEONE, SOMETHING, SOUTH HAVEN!

Personalized bricks are are available at both clocks...a \$250 donation will provide the donor with a paver brick inscribed with up to 42 letters of the donor's choice.

SHOUT is pleased with the response to this project. The City of South Haven has transformed the south end of North Shore Drive into lovely Ellen Avery Park, which is part of the new Harbor Walk. The Clock and bricks are definitely focal points of the park, complemented beautifully by the superb landscaping. The park opposite City Hall now hosts the Farmers Market and numerous other events, with the SHOUT Clock at the center of it all.

Yes, I am interested in being a donor of a brick at ( Please check the appropriate box ): [ ] - Downtown Clock [ ] - The Harbor Walk Clock
